

Towards a Brighter Future

2010 Neuromuscular Disorders Conference

February 26th-27th 2010,
The University of Sydney,
Eastern Avenue Auditorium

The Institute for Neuroscience and Muscle Research in partnership with Duchenne Foundation invite you to a national muscular dystrophy conference in Sydney, Australia.

THIS CONFERENCE AIMS TO:

- Our theme is "towards a brighter future" and our vision is to provide an informative and stimulating conference environment for the advancement of neuromuscular disorders.
- Deliver a stimulating and progressive conference program that disseminates only the most up to date research in the field of neuromuscular conditions.
- Provide an exciting poster session where up and coming researchers will have an opportunity to present their research to the neuromuscular community.

Abstracts are sought for new investigators to present posters- please submit your abstract online at: www.towardsabrighterfuture.org.au

Deadline for abstract submission: Friday 16th October 5pm. Prizes will be awarded for the best poster.

WHO IS THE CONFERENCE FOR?

- Parents - to hear first and foremost the leading research in the field of neuromuscular disorders and be provided with networking opportunities between parents and clinicians/scientists
- Health professionals - We are looking forward to providing an exciting program comprising national and international experts.

Register online at www.towardsabrighterfuture.org.au

WHERE IS THE CONFERENCE?

Towards a brighter future will be held at Eastern Avenue Auditorium and lecture theatre complex on the Camperdown Campus of the University of Sydney, Australia located a few kilometres from Sydney's CBD.

INTERESTED IN SPONSORSHIP?

Be part of the conference and exhibit your services or products to a large national audience, opportunities for exhibition and sponsorship of speakers/sessions are available, please download the sponsorship pack from the website.
