Dear Ms Reid and Mr Burchill,

Re: MLAK Accessible Toilets

Thank you for your recent correspondence to Cowra Shire Council in relation to the disabled toilet facilities within Cowra Shire.

I can confirm that Cowra has 2 MLAK wheelchair accessible toilets: Squire Park on Brisbane Street and Holman Oval on Lachlan Street. Both are associated with other public toilet facilities and are therefore left open during the day for public use in accordance with the 2017 Local Government NSW Guidelines. Council will also check the data on the National Public Toilet Map and update as required.

Council is more than happy to undertake further discussions with the Access Committee, a 355 committee of Council, in relation to the continuing use of the MLAK key system.

Should you wish to discuss this matter further please do not hesitate to contact me on (02) 6340 2045.

Kind regards
