Dear Ms Reid and Mr Burchill,

RE: The Scourge of Locked Accessible Toilets

In response to your letter sent Friday 15 March 2019, we have confirmed with the contractors who open and close our facilities that any Master Locksmith Access Key (MLAK) locked wheelchair accessible public toilets are unlocked during the daylight hours and whenever co-located general entry public toilets are otherwise open.

Further we will assess current guidelines before installing MLAK locks on any future buildings.

Kind regards

A handwritten signature in black ink that reads "Simon Jones".
